

Being Kind to Others

It is lots of fun to be at Kiwanis Camp.
There are lots of people to get to know.

friends

horseback riding

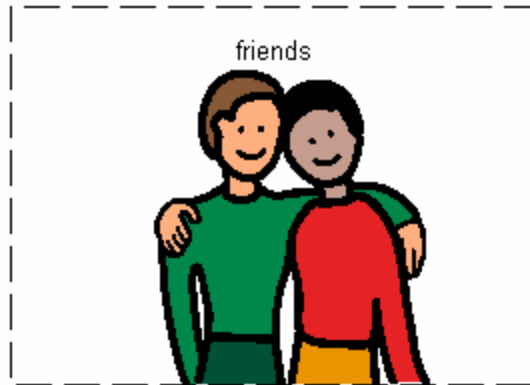

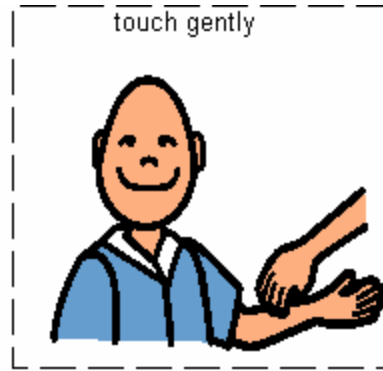

swim

canoeing

We get to do lots of things together at camp.

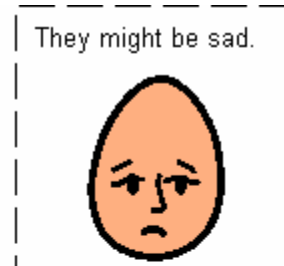

When we are kind to each other, then we can have fun doing things together. Then we can be friends.

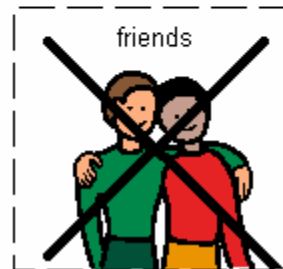

If...

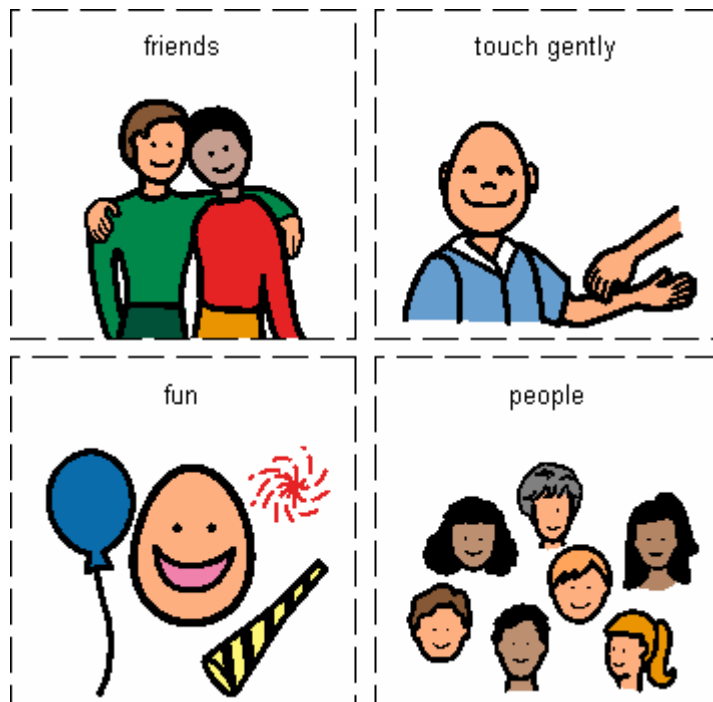

Then...

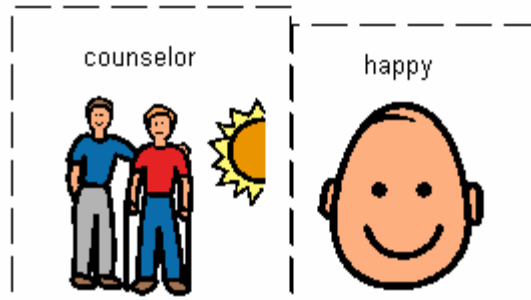

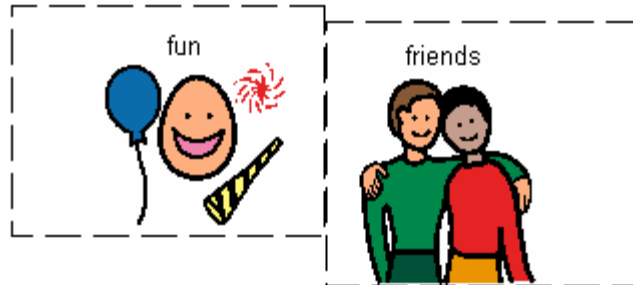

If we hit other people, they might get hurt. They might be sad. They may not want to be our friend.

I can be a good friend at camp. I will try to touch others gently. Then we can be friends and have fun together.

It is really fun to be together at camp. It is fun to be friends.
My counselor will be happy when I am kind to others at camp.
