

FLAG

Every morning before breakfast we go to the flagpole. We stand around the flagpole in a circle. One group leads the flag ceremony. The flag is raised up to the top of the pole.

When we are at the flagpole, we sing songs. I will try to sing along. Sometimes I can ask to sing a song that I like.

Soon the bell will ring. That means it is time to go inside to eat. Lots of people will go inside to eat. I will try to walk slowly and wait for my turn to go inside.

Before dinner we go back to the flagpole. We stand around the flagpole in a big circle. One group of campers takes the flag down. They fold it up.

**Then we sing songs until the bell rings.
When the bell rings, we all walk to the
dining hall where we will eat dinner.**
