

SETTING THE TABLE FOR MEALTIME

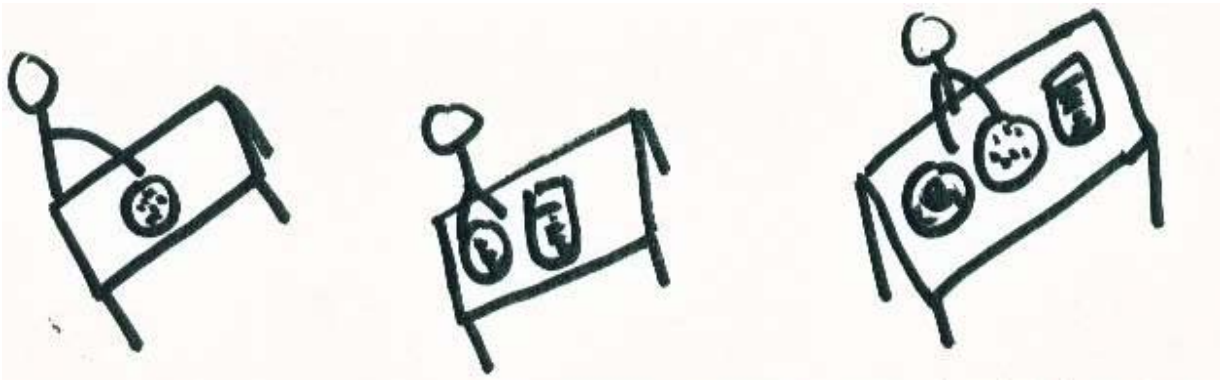

Sometimes my group will set all the tables for mealtime. My group will go to Fanning Lodge. We will wash our hands.

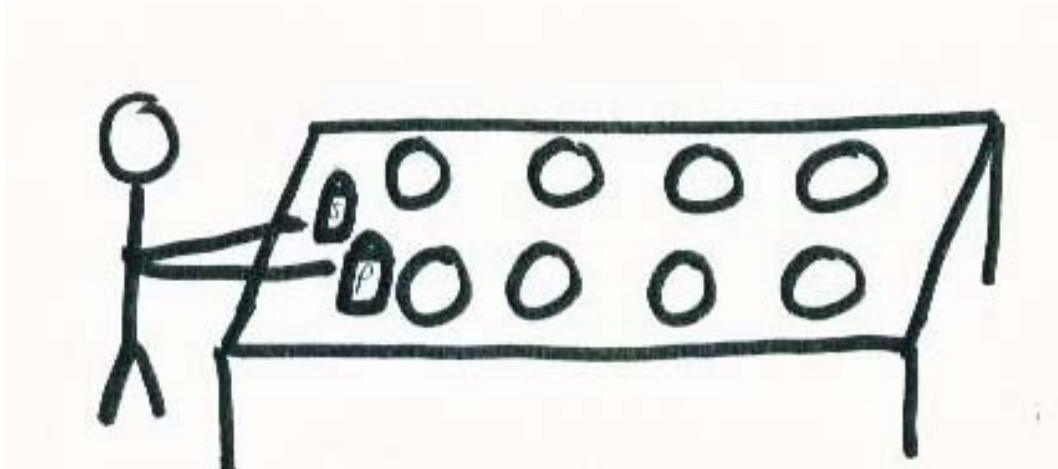

I will try to help put plates, glasses, napkins, and silverware on each table.

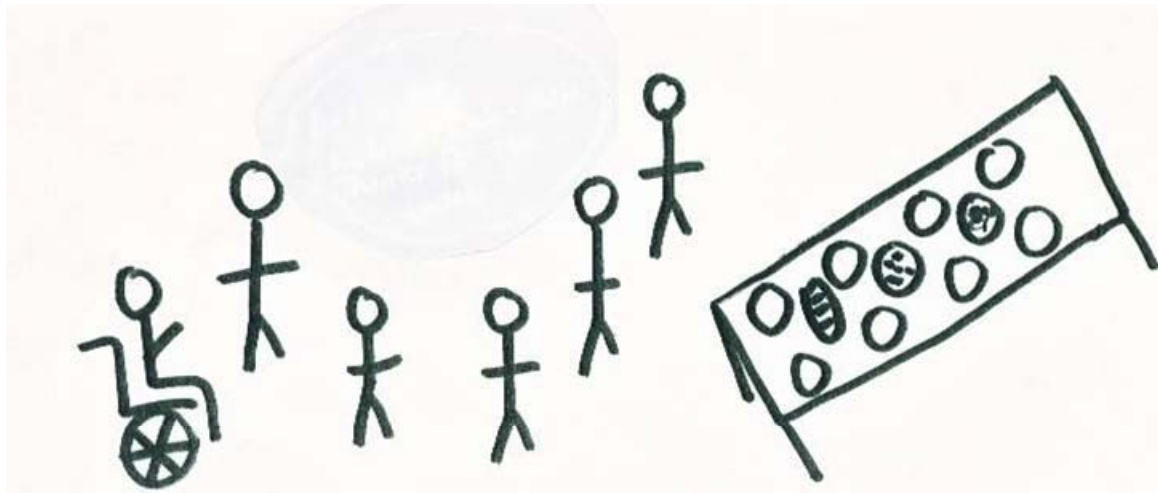

I may fill pitchers with water or juice and put the pitchers on each table.

The cooks will set out plates and bowls with food. I will try to take the plates and bowls to the tables.

I may set out the salt and pepper, ketchup and mustard, salad dressing, or syrup.

After all the tables are set someone will ring the bell. People will come in Fanning Lodge to eat. After everyone sits down, we will say grace. Then we can eat!
