- When it is time to eat a counselor will tell us.

- We will walk to the flag pole and sing songs before we go inside to eat.

- There are tables for each group to sit at.

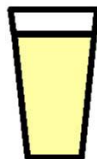

Sometime during camp my group will be in charge of setting up the tables for breakfast, lunch, and dinner.

I will help put out plates, cups, bowls, and silverware for each table

- When it is time to eat I will sit down at my table.

- The food will be placed on the table.
- We will take turns putting food on our plate.

- Sometimes it might get loud during mealtimes.

- If this happens I can ask to sit outside where is it quieter.

- When I am done eating I need to clean up.

- There will be a bin marked for the dirty dishes.

- When I am done cleaning up I need to wait for my group.

- When everyone is done we will go to the next activity.
