

# The dance

- On Wednesday night there is a dance at camp.

- All of the campers and counselors can go to the dance.

- The dance is a fun place to see my friends.

- At the dance there will be music playing.

- I can choose to dance or watch others dance.

- There will also be games to play at the dance.

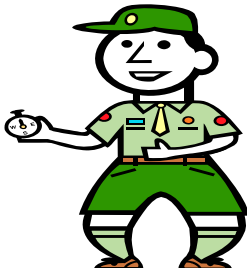

- .

- Sometimes it can get loud at the dance.

- I can tell a counselor that I need a break

- When I am ready, I can go back to the dance.

- When the dance is finished a counselor will let us know.

- I will then walk back to my cabin and get ready for bed.
